[1] This statement is issued in relation to a submission<sup>1</sup> from the Australian Defence Force (ADF) made under s.58H of the *Defence Act 1903* to make minor administrative amendment to Defence Force Remuneration Tribunal Determinations 11 of 2013 – *ADF Allowances* and 2 of 2017 – *Salaries*.

[2] The ADF submits it has identified minor anomalies within the determinations as well as some rulings that require further clarification. These are summarised as:

- a. cross-reference to an obsolete international campaign allowance;
- b. clarification on the interaction of separation and overseas living allowance;
- c. eligibility for submarine capability assurance payment; and
- d. the duplication of some pay grade tables.

[3] The Commonwealth supported the proposed amendments.<sup>2</sup>

[4] Noting that the proposed amendments simply provide clarification or correction, and that no member will be adversely affected by these technical clarifications, we issue Determination 5 of 2019 in order to make corrective amendment to the two consolidated determinations.
